Getting into gardening was something to do while her little ones were playing in the yard. Dione's special interests include (*but are not limited to*): Perennials, roses, shade gardening, evergreens, landscaping and Design, Container gardening, WaterWise gardening, and Sun gardens. Combining creativity with her fashion design background, a terrific sense of humor and a flair for life that's hard to beat, she proudly declares she's a graduation of the school of "learned it by doing it". Self taught in landscape and design, perennials, roses, soaker hoses, and container gardening, her audiences are always impressed with the results.

Dione has been gardening for 15 years and landscaping for 10 years. She began her own landscaping business during that time. She's been an active Dallas County Master Gardener for 3 years. Ask her what she'd like to do, and she'll tell you "*I would rather shop for plants than clothes*".

Topics that she currently talks on include:

Container gardening	Shade gardening
Perennials	Landscaping & Design
WaterWise Gardening	Soaker Hoses at their best
