

NAME: Nancy Wilten

CONTACT: TEXAS AGRILIFE EXTENSION
SPEAKERS BUREAU, 214-904-3053

Prior to becoming a Master Gardener, Nancy lived on the Texas Gulf Coast. She has lived in Dallas, Los Angeles, and Chicago. Having lived in a variety of climates, she is familiar with the problems faced by people moving to Dallas from other parts of the country.

She is an active orchid grower since the mid-70's. Since returning to Dallas in 1983, she has moved from growing orchids in her home to becoming a greenhouse grower. Since taking early retirement in 1993, she has been able to become more active in general gardening, including taking most of the horticulture classes at Richland College.

Master Gardener since 1997. Activities include:

Assisted in Master Gardener training classes by participating on weekly and final exam committees and leading the computer committee.
Dallas Country Master Gardener Association, 2nd Vice President, current
Participated in Dallas Blooms and NARI plant clinics.
Outstanding Speaker of the Year 2007 Recipient
Chair, Emeritus Program
