

James Hatcher

I am the owner or part owner of three businesses.

I've been married for 48 years; have 3 children and 3 grand children.

Hobbies are; Fishing; gardening; grand children and computers.

(The order varies depending on the day and/or season).

I have arguably spent more hours on the DCMGA Help Desk answering public's questions than anyone in the history of our Organization.

I have four specialties that I speak on; 'Pruning'; 'Annuals for Dallas'; 'How to Identify and Control Fungal, Bacterial and Viral Diseases' and 'Turf Management-How to Mow, Water and Fertilize Properly'.

As I have been a homeowner and maintained a lawn for forty six years, 'Lawn Care' is my favorite, and possibly, my most knowledgeable subject.

I am the Help Desk Coordinator; Help Desk Computer Administrator and the Help Desk New Intern trainer/scheduler for the Dallas County Master Gardener Association.

I have spoken to many Garden clubs; at the Home and garden shows and at most of the junior colleges in Dallas County
